

The Independent Pool and Spa Service Association is an organization of professional pool service technicians. With members in California, Arizona, Nevada and Texas, they are responsible for maintaining thousands of swimming pools and actively promote their safe use. For more information concerning pool safety, please visit our websites or contact your pool supply or pool service professional.

Is your swimming pool safe for him?

our swimming pool and spa are a source of fun, relaxation and exercise for you, your friends and your family. To increase awareness of pool safety, the Independent Pool and Spa Service Association (IPSSA) is providing this brochure and the Water Watcher® tag to assist you in keeping your pool safe and fun.

Look inside for ways to make sure it is
